Recommended for ages 13+

Achan was so taken by the treasures of Jericho that he went against the specific instruction of the Lord and took some of that “stuff” for himself. Even though he tried to hide his sin, it led to the destruction of himself and his family in the valley of Achor. Gehazi had an extremely privileged position – as Elisha’s servant he witnessed incredible miracles and had first-hand knowledge of the power of God. Just like Achan though, he was drawn to “stuff” – and he lied to Naaman to secretly get some for himself. Gehazi lived the rest of his life as a leper because of his sin.

Do we hold our possessions as being from the Lord, and use them for His purposes? Do we grasp onto the things that He’s given us and keep them for ourselves, unwilling to use them for Him and His people? Maybe we’re like the saints from Macedonia who “first gave their own selves to the Lord,” and then it was a natural consequence that *of course* their possessions would be freely and readily available for the Lord to use as He saw fit.

Instructions

Start reading at the beginning of the book of Genesis. When you find the short phrase for each day, write down the book, chapter, and verse in the blanks provided. The next day, continue reading from where you stopped the day before.

The distance you read to find each entry will vary. On average, it’ll be about 85 verses per day, but it may occasionally be as short as 40, or as long as 129 verses.

When you reach the end of a book, check the top of the section to see which book you should start reading next. You’ll jump back and forth between the Old and New Testaments, and between history, prophecy, and instruction. By the time you finish the entire booklet, you’ll have read through the entire Bible once... all 31,102 verses of it.

This page is just a preview of the first month. Don’t forget to ask us to send you the complete booklet so you can continue with the rest of the year. See the bottom of this page for information on how to contact us.

Important

All verses quoted are from the King James Version (KJV) of the Bible.

Do **not** use a concordance, computer, or anything else to help you find the verses.

Do **not** copy your answers from anyone else.

The purpose of the Scripture Searcher booklet is to help you establish (or maintain) the habit of reading God’s word every day. By quickly looking up the phrases in a concordance or computer, or by copying from someone else, you may cheat your way to a prize – but you’ll also cheat yourself out of the benefits to your own soul.
